

This oldie-but-goodie “freebie” is based on 2009’s walk. Things to know before you begin:

- The walk starts and ends at Ken’s Market, 7231 Greenwood Ave N.
- It crosses some busy streets and uneven sidewalks—be vigilant and careful.
- All clues are visible from public thoroughfares—don’t trespass on private property.
- After solving any clue, continue walking in the same direction you were headed before you derived your answer, unless the next clue directs you otherwise.
- Clues are designed to test your brain power, but answers are always “aha!” obvious. However, if the “aha!” eludes you, text your phone number—just your phone number—to 206.930.8374 and, if the Answer Man can, he’ll call you right back with guidance. If he doesn’t, use each clue’s GPS coordinates to help or join Do The Gumshoe on Facebook and ask fellow gumshoes for hints.
- Clue answers for this walk will be posted at DoTheGumshoe.org on July 31.
