

August 2021's walk solved.

- 1 **Worker** Clockwise 90 from Ken's past the caged tables to Meinert's bench. Co what? (47.6809, -122.3554)
- 2 **13** Beyond Katie and Collin's place, follow the propaganda pointer to the pac-manned plug, then reroute toward the seven to descend past Schneider's installation. At the winged resting place, how many stars? (47.6803, -122.3539)
- 3 **Stones** Diagonal to continue your descent past rock bulkheads and ton to the helmeted silhouette. Of what are the tiny residence's walls constructed? (47.6804, -122.3511)
- 4 **7** At emo, proceed as o is to e on its backside. At the Goliath, take the backroad between mostly wooden planes to the posted dog. What's the sum of the phone number digits divided by the number of cents in a nickel? (47.6807, -122.3481)
- 5 **Estimates** When you have no choice but to change direction, gravitate past violators and, as concrete gives way to gravel, keep on the straight and narrow to the next directional change point. Let palms guide you to paralleling the bulbed fence. At Alki, what are free? (47.6791, -122.3474)
- 6 **12A.08.040** Shortly beyond the squarish shrubs, look for the snail and step over it and petals to the faded wheelchair. Follow its path to the code of contact. SMC what? (47.6782, -122.3477)
- 7 **Boot** Where things get circular, proceed counterclockwise 270 degrees to take the path that leads away to the friends marker. Descend, cross and bypass the footless walker until you're south of here, then corner with the pickets past the half ovals to the foreign language. What hangs from the fish? (47.6770, -122.3492)
- 8 **Dresser** Climb well beyond the floral glass and rust-surrounded three until you hit a brick wall. The meter maker is also a piece of what type of bedroom furniture? (47.6770, -122.3528)
- 9 **Black** Proceed past the twin car doors until you're approximately the prescribed distance from the sign below the stop. Turn and cross, then cross again at the safest point, passing proximate to the numbers of a popular all-purpose cleaner and Beach Boys song. Follow the white-barked line to another forced pivot point, then head to the container of covers. What color door hardware? (47.6753, -122.3528)
- 10 **Food** Reorient to skirt the rectangularish foliage, over its adjacent upheaval, all the way to but not past the corner thank you. Turn to begin descending. In what currency does the bank deal? (47.6738, -122.3528)
- 11 **55** Pass the seated pendulum and lower back to perpendicular up public steps. How many to the top? (47.6736, -122.3500)
- 12 **Dead** Near the burnt orange, scout around for two parallel Ballards and follow their line to the peeling trunk. Survey 360. What end? (47.6732, -122.3500)
- 13 **Salmon** Now take the n to st route past two trios of trees to corner with the brick topping to the wooden wings. Crab, octopus or salmon? (47.6730, -122.3514)
- 14 **Rain** At the black scooter, diagonal past to shadow the shortest length of retainer. At the door with 1-1/3 dozen panels, what type of barrel? (47.6724, -122.3521)

- 15 **1999** Where faded orange is on black, make the same turn as indicated by the digits between the fives to leave the posting behind. Keep to your path as it becomes softer underfoot, then cross blades to the alternating black and white. When was Morphauna installed? (47.6713, -122.3532)
- 16 **Ankara** Find and follow the benched path away from the net. At the thoroughfare, veer to bypass the pumps to the painted buildings. Ankara, Athens or Beirut? (47.6721, -122.3543)
- 17 **DKUPS** Follow boundaries to the signal controllers. Ignore the first and use the second to route yourself over and through the foliated passageway to the pedaler's sign. JETLI what? (47.6725, -122.3550)
- 18 **Police** When stopped by steps, take the track between the stoned strips to the warning sign. In what line of work does the chaser appear to be employed? (47.6720, -122.3554)
- 19 **Dragon** Stop short of metallic water to divert in the direction it is to your straight ahead trajectory. Beyond the biplane and fence straddling triplets, at the tiled wall, what creature rests atop it? (47.6719, -122.3573)
- 20 **Pork** Follow the piped wall and then the next corner to the chained downspouts. Beef, pork or chicken? (47.6723, -122.3571)
- 21 **Silver** At the Goalrilla, head to the green flame suppressor and continue on the essentially level. Pass two rights of the same color until you arrive at the bin corral. What color tie? (47.6737, -122.3564)
- 22 **1.5** Where roads cross, do the same, then angle acutely past the tub row to acute again past community. Where numbers are under and above stars and moons, what is their sum in units of a dozen? (47.6749, -122.3554)
- 23 **Habitat** Near the tiny red bike, in the biggest letters, wildlife what? (47.6755, -122.3554)
- 24 **Kevin** Cautiously cross. At the pedestalled ball, cross again to the faded sock and resume the same direction of travel. At the package, who's thanked on a first name basis? (47.6770, -122.3552)
- 25 **Desk** Beyond pinwheels but short of the bench duo, follow brick to the push point and take the prescribed action. At the court, front what? (47.6776, -122.3544)
- 26 **Blue** Course correct toward the bottle and past south to the rising salmon. Nearby, what color the seatback faces? (47.6783, -122.3544)
- 27 **Lutheran** Pass a lifetime, but cross not to the cross. What brethren? (47.6796, -122.3544)
- 28 **Childcare** Head to the canine cleaners to cautiously cross to another cross, but don't actually go to it. Instead, bisect the path between its building and the back of the stop. At 9:15, what's available? (47.6795, -122.3564)
- 29 **Sounders FC** At the five boulders, turn away from their change of direction to follow the tree line past little to the flag. What team? (47.6804, -122.3563)
- 30 **Rooster/
Chicken** Fly past the propped flamingo to the converted carless garage's property. Find the flat farm animal. What is it? (47.6818, -122.3562)
