

To do the 2016 Gumshoe, start from Ken's Market, 7231 Greenwood Ave N. Please note:

- The route involves crossing busy streets, traversing earthen paths, negotiating uneven sidewalks and climbing hills, so **be careful!**
- All clues are visible from public thoroughfares, so please **don't trespass** on private property.
- After solving a clue, always resume walking in the **same direction** you were headed before you derived your answer—unless the next clue directs you otherwise.

- 1     **\$8**     Exit Ken's and signal your way to the place where an R substituted for L fills it with energetic buccaneers. How much for a magmatic pastry at the crazy rodent next door? (N 47.6815°, E -122.3554°)
- 2     **Red**     Proceed under the tom-toms, past the Oregon river shoulder sign to one of boundlessness. Take a couple more steps, look for evidence of children recreating and go past it to the partially oxidized feline. What color is the fenced canine? (N 47.6807° E -122.3538°)
- 3     **Bloody**    Descend to the Seattle-made collector cover, then make a treeline to the triangle. Cross to its counterpart, but veer short of it to drop past the stepped plots to the glassed ones. What kind of butcher? (N 47.6802° E -122.3511°)
- 4     **Remove**    At the next intersection, turn the way that doesn't cross it. When they appear, diagonal past the yellow parallelograms to the very small disc of the same color. What should you not do to it? (N 47.6796° E -122.3498°)
- 5     **Bees**     Continue past the nearest access lane to below-grade parking and parallel the white dipping pickets, then, without turning, the straight brown ones to the ramp's end. Pivot to pass the limiting placard. At the Germanic door, what crosses? (N 47.6783° E -122.3488°)
- 6     **PJ**        Just beyond the hinged bouquet, detour on the striped path to explore the circling one. What are Jim's friend's first two initials? (N 47.6781° E -122.3478°)
- 7     **Baseball**    Return to the route you were following before the detour. Cautiously transition from pavement to gravel and, at your next directional decision point, take the route past the impressionistic door to the one posted with a parking restriction. What sport? (N 47.6785° E -122.3464°)
- 8     **Path**     At the next crossing, don't. Instead, head to the green leaner and from there, double cross with light assistance to counterclockwise the lined path, sidetracking by the rocked perch on your way to it. What did Josefa break? (N 47.6788° E -122.3452°)
- 9     **A&M**     Jog past the remains of the unnamed dead life form to the named living one approximately midway between Eve and the Johnsons' places of honor. What are the initials of the countries from where Atlas hails? (N 47.6766° E -122.3462°)
- 10    **Enrage**    When you come to the fork, take the unlined tine through the bollards, making a sweep turn onto the path paralleling the main one from which you diverged. Look for 0.9's arrow and follow it to the rustic bench. Extracting elk from the etched letters, how can all the remaining ones be rearranged to anger the beast? (N 47.6741° E -122.3464°)
- 11    **Thank**    Arc with the animal parade to the howler. What does the project wish to do? (N 47.6746° E -122.3475°)

- 12 **Fish** Retrace your steps to island hop and ascend to where hit's over hit. Follow the red past its ends to take the hardscape bisecting the blue squared rectangles. At India's opening, what animal goes with the flow? (N 47.6731° E -122.3461°)
- 13 **9** Veer to groove through the grove, past the pits to 6. What digit is not included among the reservation and problem numbers? (N 47.6724° E -122.3459°)
- 14 **Stone** Continue on the widest passage and its trajectory to the retentive structure. Near the middle, five to six feet up, what's missing? (N 47.6714° E -122.3467°)
- 15 **O** Follow the trail past the manly figure in blue. At its bouldered apex, split 55s to the DKUPS gate, then gravitate to the blue stack. P& what? (N 47.6706° E -122.3475°)
- 16 **Seattle** Beyond the marker approximating the innate sound, cross to the product of four and five. Atop it, what goes with 92 2? (N 47.6718° E -122.3482°)
- 17 **N 59th** Amble per the next pointer to the point between the pairs of ringed trunks, then proceed past and just left of seven over seven over seven to 723's post. On what street can you access it? (N 47.6724° E -122.3489°)
- 18 **Lied** At the wood pole with the metal sidekick, redirect to pass right of the pegged one. What did the oil company do? (N 47.6725° E -122.3498°)
- 19 **Smith** Short of the mortal terminus, turn to pass through the leafy tunnel beyond the highest peaks. Near the buggy gate's dwelling's portal, what brothers? (N 47.6731° E -122.3508°)
- 20 **We** Past the rusty gateway, when you see the sign where eliminating ven and adding 100 leaves you at the opposite corner of the country, don't cross the intersection. Instead, take the gently rising alternative route to the numbered spaces. Who loves Ray? (N 47.6726° E -122.3528°)
- 21 **Pub** Diagonal at the next crossroads, then half hoop it to the jungle wall, passing the place where celestial beings might mambo. What precedes the ampersand above the cats? (N 47.6724° E -122.3541°)
- 22 **Gnome** At the illuminated regulators, go to the dogs, then under the unit of 100's fasteners and past the disced f and proud sponsor to where the loon looms overhead. What's on the bottom of the bear's foot? (N 47.6738° E -122.3544°)
- 23 **2** Change course to walk the longest uninterrupted length of the next yard enclosure past the 11-hour designation to the island, then continue in the only direction that doesn't take you past it. Where the arrow points, turn to the yellow-backed number stack. Discarding the top and bottom digits, how many dozens does the sum of its remaining digits represent? (N 47.6746° E -122.3552°)
- 24 **General** Corner with the red steps' stones to the trapezoidal-sided boxes. Militarily speaking, what is the rank of their approving authority? (N 47.6748° E -122.3544°)
- 25 **Trump** Where sequenced doors appear below Gerber, do a ninety to follow the track next to their countdown. When you reach the blue ring, turn to follow the line through its partner to the flagged trees. Who faces elimination? (N 47.6756° E -122.3554°)
- 26 **8** Carefully cross to take a step past the three-signed post, about face and take the only route. At the open-arrowed plug, turn to leave 1976 at your back. When you come to the square pole on the circled pad, assuming the sides that can't be seen are the same as the sides that can, how many welded fins at the base of the vane? (N 47.6766° E -122.3563°)
- 27 **Solicit** Past the mini-prides of jungle kings, at the circled door, cross to the hearted one, then continue in the opposite direction of the unhurried youngsters, through the sewers to the red heart ring. Look around. What not? (N 47.6780° E -122.3565°)
- 28 **Blue** At the snow sport chairs, zag to care's gate. What color are the fence figures? (N 47.6791° E -122.3563°)
- 29 **Childcare** Take care's directional advice to a few steps beyond 1919's marker, then change course to pass the 0700 hour to the 1956 year. What's available nearby? (N 47.6795° E -122.3559°)
- 30 **Ghost** Go to stop, then as the number below it is to its unit of measurement, proceed past the photographic equipment sign. Beyond the blue-padded half dozen, at the tube-holstered post, olde what? (N 47.6804° E -122.3555°)

**Take it home!**
